Of course, I know that.

Boy, you're short-tempered, Barta.

But why fast Church come all the way to Caperna?

The pillars have become stronger to help him.

There's light.

Once you locate the Pillar, anything is possible within the bounds of the universe.

Your

magic's
magical power

and live

as well as
enough
strength
to become
a God.

You
are the
only God,
the only
Magic
Sorcerer,
in England

Your
older brother
Capote helps
Francis
become
with his
powers
as the God
of the High Priest

And you,
the younger
brother,
protect the
Francis
as the Captain
of the
Guard

I had
learned to forget
what it was
you
will never
see him.

You
were
the

you
are
the

Cephers.

The
strength
of
magic
is
nothing
if
you
don't
believe
in
the
future.

The
fate
of
all
things
is
decided
by
the
strength
of
the
heart

Those
with
desire
are
strong

Like
Zagato
now...

Caro

Do you know about Zepeto and Phoenix Emeralds?

This world is beautiful

There are no natural disasters or war.

all the people live in peace

Look!

Cephros
is
created,
and
the
peace
upheld

But...
who
will
protect
that
girl's
happiness?

...
by
the
heart
of
one
young
girl.

Garu Ciel—

I am
fond of
you
and
Zagato,
my
students—and—

I
have
watched
over you
since the
beginning.

I
am
fond of
Princess
Ryomansaku
the
Pillar.

I
don't
want
to see
any of
you cry—
I want
everyone
to be
happy.

But happiness is different for different people.

...the Princess could not forget that people would be hurt because of it.

Lantis...

Is this world truly beautiful?

Even if their wish is fulfilled, there are those who cannot be happy.

Even if the secret desire we have been given is fulfilled.

Is
this
world
so
early
beautiful?

Capricorn
has
disappeared

I
only
know
that
he
is
no
longer
in
Capricorn

I
can't
find
his
presence
anywhere

Shall
I
search
for
him?

Why?

No.

I know
Lancelot.
He must
have
some
plan.

Let's
leave
him
alone.

As
you
wish.

Do you have anything to report to me?

You
mean it?

If
you
marry
the
Magic
Knights,
you
will...

I
have

fallen
in
love
with
him

with
Zagato

He
under-
stands

I
know
it's
unforgivable...
and
yet...

I
can't
do
anything
about
it

You
are
the
Pillar
of
the
world!

But
you
are
also
only
human!

Even
though
it's
my
heart...

No
one
can
blame
you

for
wanting
your
own
happiness!

It
will

These

here
by my

Please
guide the
Magic
Knights
whom
I will
summon
to this
world

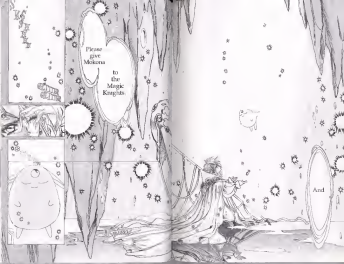

Please
be
there
for
them

Please
give
Mokona

to
the
Magic
Knights.

And

let
them
know...

I'm
sorry

Princess
Emeraldell

You look
pale—
are you
tired?

No.

Phew. I
am
very
fond
of
my
people.

Even
Alucard.

I
wish
I
could
have
seen
her
even
more
before
she
died.

In
my
mind.

One
time,
I
went
the
Mages
Knights
in.

...
have
their
wishes
fulfilled.

...
and
be
happy.

who will
protect the
happiness
of their
son

...truly...

Beautiful

Carol

About
why
the
previous
Pillar
died.

and
why
the
Magic
Knights
were
summoned

All
of
the
and
truth.

If we
find another
reference
for Pillar

I
plan
to
go
down
into
the
Pillar
itself

Protect
Emmeline
Jewel
Ciphers
from
the
bottom
of her
heart.

And
of
course,
I
do
too

That's
why
I
want
to
protect
this
country

...I
never again
want to
see...

...a
person's
heart
torn
apart
by the
duty
of the
Palace.

I am with you

We must make my sister...

the last in this sad legend.

Even if we find a candidate to be the Filler... we should let them know the tragic possibilities.

Diana.

The
Road
to
the
Pillar

The
Road
to
the
Test
for
the
one
who
would
become
the
Pillar.

Where
is
the
Road
to
the
Pillar?

So this
is
Cephiro's
castle

The whole of the world.

...all derived of mental energy.

around the world.

they have witnessed of single human.

A simple barrage won't cause this world to fall.

In any case, the conquest of the world is not our mission.

I can't believe it. Something that big.

made from mental energy.

Larriss told you about the wonders of Cephuro while he was in Autozam.

When he left
Cephuro as a
traveler,

Lartia stayed
longest in
Autissam
before returning.

He was
always
affable
and
reserved.

But when
he was
with you,
he lost that
demeanor
look.

He
really
trusted
you.

In my
opinion...

...
you
are
kind
of like
him.

Lartia —

You
both
stick
to your
ideals...

...you risk
your lives
for what
you believe
in.

You two
have the
same
stubborn
streak

I thought
Lantis was
planning
to stay in
Autosum
perma-
nently

But

When
the Mind
Banner that
covered
Captain dis-
appeared

he said
that the
Pillar must
have died

As soon
as talk
of the man
started

Larkin

...up and
disappears
from
Autoscan.

Princess
Emeraude

is
gone.

Zagato

know
that
this
would
happen

Princess
Estimade
could not
throw
everything
away

to live
as her
dictated

Even
then,

he had to
fight for
what he
believed
in.

Princess
Emeraude,
please
be free

Lantis

He
knew

that was
how it
would
end.

No matter how
much they
loved each
other, their
destiny
would
never be
gameable.

And
because
of the
strength
of their
feelings
and of their
hearts they
couldn't let
it be their
release.

will
never
accept
that as
right.

This
tragedy
must
never be
repeated.

I will
end the
Legend
of the
Magic
Knights

and the
Pillar
System
by my
own
hand.

Arabia
in a

highly
militarized
land
country

By
transforming
solar
energy
into nu-
clear,

we can
create
the
power
to move
any-
thing

In a
way, it's
not so
different
from
Cephiro.

where
all is
decided
by the
heart.

But the
one major
difference

In this
polluted
sky.

We
wonder
what
machines
they
make

the
machines
themselves
are the
wings.

Autrosian
sky never
clears

Autrosian's
environment

is
close to
dying

That's
why
Autrosian
needs
Cepharo's
Pillar
System

ding

When
Cephuro
had the
Pillar

It was
peaceful
land of
eternal
spring

I
would
always
gaze

at that
blue sky
from
Autocracy's
sarcoph-
agus platform

I used
to see the
Pillar
supporting
the
country

I
must
have
a
forest as
beautiful
as that
blue
sky

But

Now that
Cephuro has
lost its Pillar,
nothing lives
in the desert
outside the
castle

The
heart
of one
young
girl

uphold
all of the
natural
processes
of this
world

If we can
decipher
Cepharel's
Pillar
System...

...we may be
able to find
a solution to
Autonom's air
pollution.

So
that's
why
your
father,

the
president
of
Autonom,
made
that
proclama-
tion.

I was the one who proposed the invasion of Capheo to the Congress.

The reason for my proposal was an unclear situation.

The first thing was the

Before that happens, we must try any and all methods to prevent that.

At this rate, Capheo will eventually die.

It means destroying Capheo in the process!

Even if

That's right

But we have gathered information about Cephuro from Lantis

Followers and Charles have moved

to invade Cephuro in vain

We have the advantage

Cephuro

You
don't
care.

If that
means
betraying
Lantis?

I've
made
my
decision.

I
will

never
change
my
wish.

No matter what happens

Hey, there
guy-
friend!

You're,
like, okay!
I was
worried
there!

You're
like not
hard! You
were a big
muscle or
anything!

How would
we get muscled
by a Spirit?

He is
right.

The two
big guys
were here:
Isabeau
and
Thomas.

Hey,
like,
the
enemy
look
like
this

Def,
like, the
enemy
look
like
this

Chase!!

That's it

They looked like
princes. And they
were those terrible
lovely murder
types

HEY
HEY
HEY

So Princess
Tarte and Taka
of Choute

came
down here
to their
lovely
brunette

You
must
know
a lot
about
them

WHAAATT?IK

You're
not from
Capland,
Kardinal!

Yoy

Im...

A director.

I've, like
traveled
just every-
where
giving
performances

Then
why
are you
still in
Capland?

Did you
decide to stop
performing?

Yoy

Up clap up clap

Well, there's like, a lot of reasons!

Hehehehehe

Have you seen Lantis?

We saw him go out, but...

Where does he go all the time, that Lantis?

Where in this Cephire does he need to go?

He often goes outside the castle

Yes

almost every day since he's returned to Capleo

Come to think of it...

we first met him outside the castle

Lafarga doesn't get along with Luria.

Lafarga

Perhaps

He returned from our enemy Autocorn soon after Princess Emmeade died.

He disappears for hours at a time while we're under attack from the very country he'd been staying with

He is spying for Autocorn

NO!

I just don't think...

hard do that

...
is
REALLY
SMALL!

You
don't
need
to say it
so loud!

That's
why you
want to
expand
our borders,
is it?
Tatou!

That's
right!

I can
under-
stand
Aki-
tami.

Maybe you
live in their
world, don't you?
That's why
they are invading
Cephireo, I suppose.

But
Fahren
is a
rich
land.

Why would
they want to
do something
as dangerous
as invading
Cephi-

That
doesn't
matter.

No
matter
what
...

...
Chizeta
will take
Cephireo!

That
giant
kid
set
us
back!

Tatra!

state

We're
going
back to
Cephira.

Let's
rebuild
the
Road!!

Road
of Light!
Reach to
Cephiro
and grant
our wish!

Fggg

Ww

Only
the
Pillar

can stop the
destruction
of Cephalon.

But...

there
is no sign...

of a new
Road
anywhere
in Cephalon.

It's
Pillar
is born...

then
the
tragedy

will
only
continue.

Magical
Knights

the first time
I met her

I
must
make
these
girls
like
me.

That
girl
from
another
world

I
never
asked
her
name

Her
eyes
were
like
Eagle's.

The eyes
of someone
with a heart
stronger than
anyone else.

Why
did
I
say
that?

NO!

I've
only
spoken
to
him
a
little
bit.

Why?

It's
not
like
I
know
him
that
well.

By
god?

Isn't
you sad,
being all
alone in
Cyprus?

Put

I'm
your
friend
Markus.

We've
fought
together

With Lisa
and Pura
and Clif

Hikaru loses her energy when she gets hungry

That's not the only reason, she's lost her energy...

You're right.

We can't forget...

Even if

it was Princess Eira-sea's wish.

We can

never forget

We
were
suddenly
sent
crashed
from
Tokyo.

We
brought
an Magic
Knight

and

without
being
able
to
change
anything.

we
were
sent
back.

You
know,
Paa

What
do
you
think
of
this
world?

This
place
Caplan
where
all
is
decided
by
the
power
of
your
will?

They say it's a peaceful country
if it has the Pillar.

But is that true?

I...

I can only think of the Pillar as a
sacrifice for
the stability
of this
country.

One person
must give up
their happiness
for the sake
of the
country.

That's
wrong.

Did you
notice,
Urui?

Heh.

We know
how Cephiro
was when
Princess
Sera made
it was still
here.

Chif.

...
hasn't
once called
this Cephiro
a beautiful
country.

The blue
sky

and the
emerald
green
land...

I
once
thought
Cephissus
must have been
an even more
beautiful and
peaceful
country...

when the
Princess's
heart
was
calm
but

Clef
hasn't
once

...
called
this
world
beautiful.

Clef
may
understand
too...

That
his
world...
that the
Pillar
System

that
creates
it...
may
be
wrong.

But
we
are
foreigners.

We
don't
know
who
lives
in
this
area.

We
don't
know
if
we're
here
and
the
new
Pillar
is
loosely
or
until
the
battle
with
the
other
Countries
is
over.

But...

when that
someone's
work
is
fulfilled...

...
we
must
return
to
Tokyo

I
know.

We
are
only
travelers
in the
country
for a
short
time

We
haven't
met any
of the
people
of
Caphtor
other than
outside of the palace

We
don't
live
in
Caphtor

We
don't
have
a right
to judge
this
country

We
don't
know
any of the
true good
and
bad points
of this
country
We're
foreigners

For the
people of
Capitao

we
blaze
Knights

... must
be the
cousins
who
broke
the
Pillar

The
fact that
we only met
people who have
broken through
during
the battle

... might
have been
natural
considering
the role
of the
Magic
Knights

Und...

Why
did you
want to
fight for
Capitao
this
time?

Like
Clef said.
This battle
has nothing
to do with us

This
time,
we
might
die

If
so,
then
why?

I want to protect Claf and Proun

and all the different people we've met in Caphean.

I like the people I've met in Caphean.

I haven't met anyone other than Claf and the others, but this is their country.

It doesn't matter who summoned me, I'm here now.

I don't want my friends to be unhappy.

If by protecting this country

I'm protecting them.

I'll do it.

I feel
the same
way

I don't
want
to feel
so full

of
regret
over
again

And

I
want
you
and
Hikaru
to be
happy
too

Me,
too

I
want
Hikaru
and you
to always
smile

I
still
hate
this
country's
Pillar
System!

A black and white manga-style illustration of two young women standing in a room. The woman on the left has long dark hair and wears a dark dress with a large, light-colored cape. The woman on the right has short blonde hair and wears a light-colored dress with a dark collar. They are both looking towards the viewer. Behind them is a large, oval mirror that reflects their image. The room has a textured wall and a large, dark, triangular shape on the right side.

Me

splendid
things

They're
here
again!

We
are
going
to
make
them
ours!

Umm...
I
really
don't think
they will
fit in your room,
Lady Aika

We'll
keep
them
hidden
in the
yard
first

You
mustn't!

The
String!!

That
is an
even higher
lesson
than the
"Picture Rebirth"

I
cannot
allow
you
to
use
it!

Lady Asakura

HAARD

Oh
ho ho
ho ho!
Now
we are
all set!

Let's
go!

Our
Secret
Art!

ILLUSION
THREADS!

Huh?

What?

BOOM

W. What's enough!
Linn!

I...
I don't know!

My head
moved
by itself

SHOOM

A character with dark hair, wearing a robe with a prominent diamond or quilted pattern, is running through a dense field of large, pointed leaves. The character is looking back over their shoulder. The scene is framed by a jagged, leaf-like border.

Oho
ho ho
ho ho!
Did you
see that!

That is
the secret art
of Fahren's
Royal family,
the Illusion
Threads!

A
person
strung
by
these
threads...

shoom
shoom

Two characters are shown from the chest up, looking directly at the viewer. The character on the left has dark hair with a small white bow and a wide, happy smile. The character on the right has dark hair and a more serious expression. They are both wearing patterned robes. The background consists of large, pointed leaves.

...and
moves
at
our
will!

Oho ho
ho ho!
Now that
splendid
thing...

...moves
at our
will!

Now!
For once
and for
all!

If this is
an Illusion,
then that is
Fehren's
work, right?

That's
right.

Aargh!

You
impertinent
little...!!

HARRY

CLANG

ROAR

GUARDIAN

Uwah!

I don't know about the Illusion or Magic.

Uwah!

But how dare you make me attack Hikaru and Fusa!

OHNO
OHNO
OHNO
OHNO

Now
for the
grand
finale!

We
decided
that we
were
going to
fight
together!

For the
sake of
our hearts!

ICE
SWORD!!

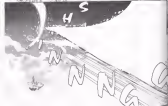

The
Dream-
child!

And
those
mushies
from
before!

My
my
my...

It
looks
as if
we're
a bit
late

Dear
you,
Father!

Those
are
Fahnen

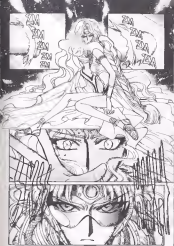

and
Chunin's
Rounds
aren't
they.

He used too much of his mind energy! He passed out while connected to the computer!

No way!

It'll drain all of his mind energy! We have to cut the cord!

We can't cut him off by force!

His mind will blank out along with the computer!

What
are
you
doing?
Gao!

I'm going
to tap out
my stored
energy
directly
and smack
him
overboard!

That's
crazy!

It's better
than
letting
him turn
into a
vegetable!

Wake
up!

EAGLES!

Can

Eagles!

You
took
years
off
my
life

Did I,
you
know, tell
usleep?

Stop!

2M
2M
2M
2M
2M
2M

What?!

A
Spirit
broke
into...

...
the
Road
that
Eagle
built!

What?

A
space
ghost?

Spirit... a red

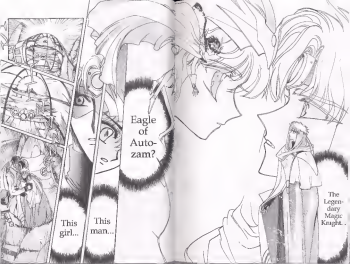

Spirit

A
ghost?

Some-
one
watch-
ing
me!

Eagle
of
Auto-
zam?

This
girl...

This
man...

The
Legen-
dary
Magic
Knight...

Let's
return
to the
cave!

I don't
know what
happened
to the
Road...

but I'm
worried
about
Eikar!

Eikar's
Pillar must
travel the
Road
to the
Pillar and
become
That...

She
entered
the
Road
that I
built...

That's
what
Luma
said...

The
Road...

The
Road to the
Pillar...

HEALING

She's used too much of her heart.

Healing Magic won't work on fatigue.

Is there a room

where she can rest?

Eagle...
did you
come to
Cephira...

...
for
this
world's
Pillar
System?

One
of the
Magic
Knights

entered
the
land
of
another
country
